

PI113083

Description

PI113083 is an inductor. It is PPAP Level 3 capable and RoHS/REACH compliant. It can be used for applications in automotive, telecom, etc. PI113083 or a similar part can be customized to meet your specific needs. If required, please see the Custom Request section.

Application

PI113083 offers a planar package that is highly efficient, low-profile, and small foot print. It can serve as an excellent solution to power problems that require greater power in a smaller physical package.

Inductor Characteristics

Operating Frequency
Inductance

RDC
